

Tomako's TSB Side Chair Features

Now with 10 year warranty

Australian Made (including Steel) – Great for Government contracts

Local manufacturer means shorter lead times

Fire Retardant foams now with greater density (now 50/m³, compared to average 25/m³) giving added comfort and support (supplied by Dunlop Foams and GECA certified)

Stackable (with Chair Trolley available). Chair dimensions 460w x 520d x 450h (seat)/760h (back).

Only 6kg with unique hand grip on back of chair (can be picked up with fingers) – Fantastic for Health Care, Conference & Meeting rooms, Visitor Reception rooms or Break-Out areas.
